EMPOWERING YOUNG MINDS

A TRIBUTE TO HAJI AJMAL ALI

Haji Ajmal Ali, the Philanthropist walked into the shores of eternal glory on 17th February, 2009. The renowned business icon is also known as the 'Charity King'. His heart always cried for the poor and the needy and always wanted to make his service available to the society in which he lived. To instil idealism in the minds of the young generation, education is important and he rightly understood that. He said that education can change the individual and when an individual is transformed, the society is transformed; and towards this initiative, he left no stone un-turned. Growth and change are signs of life. It is because of his dreams, values and vision, education in this region has grown from small humble beginnings to its present stature and is throbbing with life. His main objective was to create a need for education in this slighted region of the country to achieve a healthy and harmonious blending of mind and soul.

AJMAL GROUP & AJMAL FOUNDATION

Ajmal Group, a brand name in the world of Perfumes, has been rendering generous services to the society cutting across caste, community & religious lines. The Group has been actively crusading against social evils like corruption, ignorance, communalism, violence and above all hatred.

Ajmal Foundation is the socio-welfare trust set up by the Ajmal Group to provide humanitarian services like establishment of educational institutions, literacy programmes, scholarships, financial assistance to educational institutions and poor students, relief and rehabilitation works, health care, education & empowerment of women etc.

Our belief that education can cleanse the society of all its evils has led us to establish educational institutions of the finest standard and produce capable individuals of proven academic excellence. Through our institutes, we have been able to provide education right from the primary level to the higher level especially in the backward areas of the state. We have students flocking in not only from different parts of Assam but also from other parts of the country. Driven by the zeal to transform their native place Hojai from a backward, nondescript town to a vibrant and flourishing centre for commercial, educational and cultural activities, Ajmal Family has carried out relentless work which is an affirmation of their commitment towards the society.

The Foundation believes that educational institutes are meant not merely to provide degrees, but to nurture lives and empower them to scale new heights.

VISION

Our constant endeavour is to extend the vistas of education and infuse the curiosity to follow knowledge beyond its apparent limits.
